

Business Lending Partners Receives National Recognition

At the National Association of Development Companies' (NADCO) Annual Meeting held in San Diego, CA, Business Lending Partners (BLP) was honored with an award for the **“Greatest Increase in the Number of 504 Loan Approvals for a Portfolio under \$10 Million.”** This award was the result of a 215% increase in the number of SBA 504 loan approvals by BLP in 2008. BLP was able to achieve this success through their expertise, knowledge, and partnerships, combined with their expansion of lending services statewide

BLP offers SBA 504 loans to companies seeking to start-up or expand their business in the State of Wisconsin. Together with local financial institutions, BLP has assisted dozens of small businesses by providing 90 percent real estate and equipment financing at a low, long-term fixed rates. As a result of the low down payment requirement under this program, these companies are able to free up capital for other needs and offer new employment opportunities to local residents.
